Baião - Portugal

TECHNICAL INFORMATION

1000 CURVAS BLEND ORIGINAL

Regional Wine – Minho

This wine is a blend of two estate vineyards with a seven-year age difference. It is produced from grapes sourced from **young vines of a field blend** (Arinto, Avesso, Viosinho, Códrega do Larinho and Rabigato) together with our **Chardonnay from Quinta da Castanheira**. Both vineyards are planted on traditional terraces in the Douro Verde, on granitic soils with tight spacing, in a unique climate that combines the rigor of the Douro with the freshness of Vinho Verde.

WINEMAKING

Harvest began in the first days of September. After refrigerated transport, the grapes were selected at the winery and gently pressed. The must was settled for 48 hours. Fermentation took place separately in stainless steel tanks, followed by malolactic fermentation in both wines (Field Blend and Chardonnay). Aging on full lees lasted 10 months.

TASTING NOTES

Pale lemon-yellow color with brilliant clarity. Fresh profile with citrus notes, expressive orchard fruit aromas and hints of ripe exotic fruit, supported by a distinct mineral character. On the palate, it is fresh and mineral, with an enveloping texture and a structured, long and dry finish.

1000 CURVAS BLEND ORIGINAL

TECHNICAL INFORMATION

Producer: Castanheira de Santa Leocádia – Soc. Agrícola, Lda

Region: Baião – Minho

Soil: Granite

Vine Age: 8 years (Field Blend) / 15 years (Chardonnay)

Grape Composition: 66 % Field Blend + 33% Chardonnay

Plant Density: 4,200 vines/ha

Training System: Bilateral cordon

Altitude: 250 m

Harvest Period: Early September 2022

Harvest Method: Hand-harvested

Fermentation: Stainless steel

Malolactic Fermentation: Yes

Bottled: July 2023

Formats: 0.75 L / 1.5 L
